Fee Policy

- For your convenience we accept the following forms of payment: cash, debit, certified cheque, bank draft and all major credit cards.
- Program Management fees are due prior to your nursing appointment.
- Treatment cycle fees are due at the start of the cycle.
- Medication costs are not included and cannot be returned or refunded once purchased.
- All fees are in Canadian dollars.

Financing Medicard by ifinance
www.medicard.com, phone: 1888 689 9876

Cancelled or Converted

- Cycles producing less than three follicles may be cancelled as per your physician recommendations.
- Private IVF cycles converted to IUI cycle will be charged the sperm preparation fee of \$725 and the IUI Cycle Monitoring fee of \$900. The daily fee for IVF/FET monitoring is \$175 per day.
- If the IVF cycle is cancelled or converted to IUI, this will be counted as 1st attempt at a Funded IVF cycle. IVF funding concludes when two attempts at cycle monitoring have been performed and in both instances Oocyte Retrieval not performed.

Refund Policy

- Outstanding credits can be refunded or utilized towards future cycles.
- In certain cases, the desired outcomes are not achieved yet our fees are non-refundable.
- You will be reimbursed any fees for services not provided.
